Notes

Welcome to Lisbon everyone!

Most people appear to have arrived, with the last group getting here at around midnight yesterday. They were delayed due to a railway strike.

Igor and Daniel were delayed due to a “suspicious package” at London’s Heathrow airport. They were not in the terminal where the package was found, but the crew for their flight was and due to the police lockdown the crew was not able to transfer over to the correct terminal and so the flight was delayed by a couple hours.
